Mr Reddy may be treated as of on duty when he goes to attend the meetings of the Senate, on the condition that he credits to Govt the amount allowed by the University for such journeys.

[In the case of Mr S Krishnaswamy Iyengar the allce given by the University is probably more than the allce he would get under the MSR & hence no question has been raised in his case]

Opinion of the Council

These officers are not entitled to draw travelling allowances under the Mysore Service Regulations for journeys to Madras for attending Senate Meetings in their individual capacity as Fellows

They may however be allowed to attend the Meetings with the permission of their official superiors, and the necessary days of absence need not be deducted from the casual or other leave at their credit

PRIVATE SECRETARY MYSORE

The Palace, Mysore,
4th July 1912

My dear Sir,

I am directed to return the accompanying file and to say that His Highness attaches great importance to attendance at the meetings of the Senate of the Madras University by Mysore Officials and it is, in his opinion, a very small concession to treat the periods of such attendance as absence on duty and to allow the Officers concerned Travelling Allowance under the Mysore Service Regulations taking credit to Government for the allowances granted by the University The same remark applies to Mr Tait's attendance at the last Convocation His object in attending, i e , to present the graduates from the Central College, is one deserving of encouragement His Highness notes that you have sanctioned the Travelling allowance claimed in this case

Yours sincerely,

No 35 D.O. F. 752-2 15

Office 22 July 1912

My dear Sir,

I beg to submit the following for consideration in connection with the order of His Highness embodied in the draft order put up

Concessions like this had been granted to Messrs Bhabha and Cook Mr Bhabha was Inspector General and Mr Cook was an independent Principal of a College who was

also recognised officially as Adviser to Govt on higher Education. Both of them were thus heads of the department in the State, and could therefore with some propriety be regarded as representing the said department. About the same time, I happened to be a Fellow of the University, and as I was such only in a private capacity, it never struck me as appropriate that I should ask for any concessions, nor would they have been granted if I asked. I may add that the University was

not their paying any travelling charges to its members

"In my humble opinion, it would be a very inconvenient & embarrassing practice to recognise the Universities as official in the State in the case of subordinate officers, especially of the Edn dept. At present, the Inspector General's assistant is a Fellow while the Insp-General is not, and a Professor of the Maharaja's College is one, while the Principal is not. The Government of Madras did not consult the State while making

its selection, and the appointments were not even formally intimated to us. Such Members may be deputed by the University to inspect and report on any of our own Colleges or on Colleges outside our State

I would beg that the matter may be considered in the light of these facts — as to whether it is consistent with principle or with the dignity of the State to grant this Concession when the University has not asked for, and which probably it would not think of acknowledging as a favour.

Begging to be excused for pressing the matter again, I am

Yours sincerely

My dear Sir,

Please see 1st Councillor's DO No 35 of 22 July which I herewith enclose for your perusal and kind return Subject T A to Educational officers who are members of the University Senate and who attend Senate meetings

May I request the favour of your opinion on the point in issue

In the present case the University Senate is that of Madras but the principle in question will I suppose apply equally well if it were the Senate of any

ther Indian University
Bombay or Calcutta not being
unlikely.

Comptroller s Office
Bangalore 10th August

My dear Sir

I have just received your kind demi-official letter of the 9th August 1912 regarding the travelling allowance of educational officers who are members of the University Senate and who attend Senate Meetings My opinion on the subject is contained in a note dated the 1st August 1910 in one of the files I reproduce extracts from it for ready reference

710

"The Mysore Government are interested in the State being represented in the Senate x x x But I agree that we may take the opportunity of change of incumbents to introduce the rule that no additional travelling allowance would be payable by the State the allowance paid by the University being considered sufficient Mr Bhabha used to draw the rate allowed by the M S R deducting the amount paid by the University In British India Educational officers similarly circumstanced are satisifed with what the University pays and I do not see why in Mysore the same allowances should not be considered sufficient "

I still adhere to the opinion referred to above but

22

but I note that His Highness has decided to allow in all cases travelling allowance under the M S R taking credit to Government for the allowances granted by the University The difference between the amounts allowed by the University and the amounts which will be allowable under the M S R is comparatively small and from the financial point of view I do not think that there is a sufficiently strong case to make a further representation to His Highness

I have not been able to grasp the exact point which the First Councillor wants to make out in his letter of the 22nd July 1912 There may be brilliant men in the lower grades of service who by virtue of special qualifications are competent to take part in the deliberations of the Senate and represent the educational interests of this State generally I do not see how the dignity of the State suffers by allowing Junior officers travelling allowance under the M S R to attend Senate meetings If nothing else, it may be regarded as a slight recognition by the State of the special merits of these men which have induced the University to appoint them members of the Senate Of course, the granting

21-24

23

granting of travelling allo arce under the M S P will not ma e these officers the officially recog-nized mouthpiece of t e Mysore Gov rnment or the Mysore E ucational Department but their attend-ance at tne meetings of the Senate may still be expected to be beneficial to the general interests of higher education in the State

The enclosures to your letter are returned herewith including th First Councillor s letter dated the 22nd ul 1912

Yours sincerely

J Chakravarth

T Ananda Row Esq B A C I E

DE AN OF MYSORE

PS One point in connection with the proposed draft may be noticed. It is perhaps intended that M S R rates will be drawn only when they are advantageous to the officer The enclosure should therefore be optional & this may be made clear in the draft This is necessary as in the case of some officers the University rates may find more JC

SIR

I have the honour to submit herewith for orders of Government copy of letter dated 6th February 1912 from Mr C R Reddy, M A Professor of English Maharaja's College, Mysore informing that he has been nominated a Fellow of the Madras University and requesting that his absence for the purpose of attending Senate Meetings be treated as duty permitting of his drawing travelling and halting allowances

Copy of letter dated the 6th February 1912 from Mr C R Reddy, Professor of English, Maharaja's College, Mysore to the Inspector General of Education in Mysore

- - - - - - - - - - - -

I beg to inform you that I have accepted a nomination to a Fellowship of the Madras University very kindly proferred to me by His Excellency the Governer

As Mysore is too far away from Madras to admit of short-time journeys, I request you to be good enough to obtain for me from Government sanction to have absence for the purpose of attending Senate Meetings treated as duty and also sanction to enable me to draw travelling and halting allowances as was done by Mr Phatha and others

As there are not more than two or three meetings in the year, it is not likely that College work will suffer I need hardly assure you, that, if necessary I shall always be prepared to hold special classes With my best respects,

Yours sincerely,
